

La Reina High School "SALR" Membership

Sustaining the Arts at La Reina

Ahoy Mates! Get involved with the Arts - become a SALR Shipmate

The goal of our parent action group is to "buoy up" the performing arts at La Reina, including the Regent Performers, La Reina Singers, Comedy Sportz team, Techies and Dance teams. Exciting activities are constantly becoming available for our girls, and expenses are always on the rise. **Show your support** with a SALR Membership; you'll be helping us offset the cost of these enriching experiences.

Every penny raised directly benefits La Reina students, from costumes and theater equipment to workshops, camps and conventions. Our students perform at various on-campus activities such as Friendship Week and La Reina High Day, present Fall and Spring shows, battle against other schools with humor at Comedy Sportz contests, enter various dance competitions, participate in the State Thespian Festival, and celebrate their accomplishments at the annual Awards Banquet. A highlight of the 2008-09 year was a trip to **New York City** where our La Reina Singers performed at **Carnegie Hall**, and our **Thespians** explored **Broadway**. The 2010-11 school year brings a repeat performance in the Big Apple!

Whether or not your daughter is involved in one of the programs mentioned, you can still help us to SUSTAIN the ARTS at LA REINA by becoming a SALR Shipmate! All memberships include a gift to the La Reina Theatre Department, which this year is focused on lighting and staging needs. See the details at www.lareina.com > Advancement > Advancement Wishlist.
