"Our years at La Reina would not be the same without the teachers who inspired us to create our own path, and guided us along the way....We are forever grateful for the La Reina family that has helped us find the confidence we need and the poise and grace to carry that confidence throughout our own lives.

"Although we no longer have honor cards, we will always remember responsibility and respect....Although we have given our last special intentions during class, we will never forget how blessed we truly are. Although we are no longer students, we are forever a part of the La Reina family. La Reina High School, you're unforgettable."
