

La Reina High School Booster Club

Booster Club Family Membership and Fundraising Participation Requirement Form

(Keep this page for your records)

Membership

Membership in the Booster Club is required of all families of La Reina athletes. Booster Club membership is a family membership that covers the parents, stepparents, and/or guardians of a La Reina athlete. The family membership fee of \$75 is paid once yearly and is good for all athletes in the family, for all sports played. Membership benefits include free admission to all La Reina home games (except playoff games).

The Booster Club supports the La Reina Athletic Program by broadening the communication and cooperation between athletes, families, and the school. Your participation in this endeavor is vital and encouraged. Throughout the year, the Booster Club will need to communicate directly with you on such things as team activities, volunteer opportunities, and fundraising efforts. The primary means of communication will be via email. **Please provide the information requested on the next page** and return with the athletic team paperwork packet to your daughter's coach. This form will only need to be filled out once per school year, when the first sport is played by a daughter in your family.

Fundraising Participation Requirement

Each year, the Booster Club raises funds to support La Reina's athletic program. These funds are critical to enhancing the tradition of excellence in sports at La Reina. Booster Club funds are used for team transportation, equipment and uniform purchases, maintenance of LRHS sports facilities, off-campus training site fees, and various league and non-league expenses. Booster Club funds significantly reduce your cost of playing sports at La Reina.

Our main fundraiser is a golf tournament held every May. Net proceeds from the tournament account for, on average, 90% of the total funds raised every year. To ensure a successful golf tournament, you are required to participate in one of the following ways:

1. Play in the tournament.
2. Register a foursome.
3. Secure a sponsorship of \$250 or greater value.
4. Donate an item of \$250 or greater value for auction (sports, leisure, or travel items recommended).
5. Pay a \$50 fee to the Booster Club (make checks payable to La Reina High School).

Naturally, we would prefer you NOT pay \$50, but participate through one of the first four options. This will result in the greatest return to the La Reina athletic program.

This fundraising participation requirement is a once per school year obligation for Booster Club families and covers all athletes in the family for all sports played. For proper accounting of your participation, it is your responsibility to insure your name, either the athlete or parent's, is entered on the "*La Reina Athlete or Booster Club Member to receive credit*" line found on the bottom of the Golf Registration, Tournament Sponsor, or Tournament Donation form. The Booster Club reserves the right to confirm the value and suitability of all non-cash auction items.

Please select from the five options above and indicate your primary and secondary choice on the next page. If you are not sure, please indicate your most likely choice. The fundraising participation requirement must be met by the Golf Tournament, which is held in early May. Check the La Reina Athletic web site for tournament date, registration deadlines, and forms.

All Booster Club members are invited to attend Booster Club meetings held on the first Monday of every month, September through June, at 7 pm in the school cafeteria. Check the La Reina on-line calendar for dates. For more information on the Booster Club, please contact your team's Booster Club Representative, the Booster Club President, or the LRHS Athletic Director. Please keep this page for your records.

Thank you for supporting La Reina's Athletic Program,

LRHS Booster Club
