Message from the President Sister LaReina Kelly, S.N.D.

School educates young women who develop into moral and self-
confident leaders, determined to be women of influence and
service for the betterment of humankind.

A+ For America
CATHOLIC SCHOOLS

Each year, the National Catholic Education Association sponsors Catholic Schools Week. This year's theme is "Catholic Schools: A+ for America"--celebrating the great benefit of Catholic schools. In this spirit, the entire La Reina community can be proud of the strong moral values, outstanding academics, spirit of service and training in leadership that our students receive. Such qualities of character and achievement do not just happen.

The celebration of Catholic Schools Week is a wonderful time to give special recognition to you, our La Reina family. Thanks to our dedicated faculty and staff, to parents who work with us as partners, to alumnae who live out the La Reina dream, and to generous supporters who provide needed resources, every Regent receives an advantage for life. Because of each one and all of us together, our La Reina mission remains focused and strong. Because of each one and all of us together, our alumnae have a future full of hope. Because of each one and all of us together, our country and our world are blessed with people who care. Happy Catholic Schools Week!
